\$25 if registering
& paying by March 29
Add \$5/person after that

Prevention is the key, but the **quick and easy techniques** demonstrated in this training opportunity will help **extend shelf life on general circulating materials.**

Learn to address specific, common repairs such as these:

- ✓ Loose pages
- ✓ Broken spines
- ✓ Torn header caps
- ✓ Ripped and torn pages

Kary Barth, regional sales manager for Kapco Library Products, is the author of a basic book repair guide which was previously available from Kapco. She has presented book protection/repair training in various venues throughout the U.S. and has worked with libraries since 1990. She has a BS from the University of Illinois - Urbana.

Each participant should bring the following:

- 1-2 paperback books, preferably new, or new-like, for learning paperback covering techniques;
- A hardbound book with a book jacket for learning proper application of book jacket covers;
- A stapled book or magazine;
- A hardbound book which needs repair; *and*
- A “naked” hardbound book (one that does NOT have a book jacket / dust cover).

Each participant will be provided with a **free** sample packet of prevention and repair materials.
